# An Introduction to Twinkl Phonics

for Parents and Carers

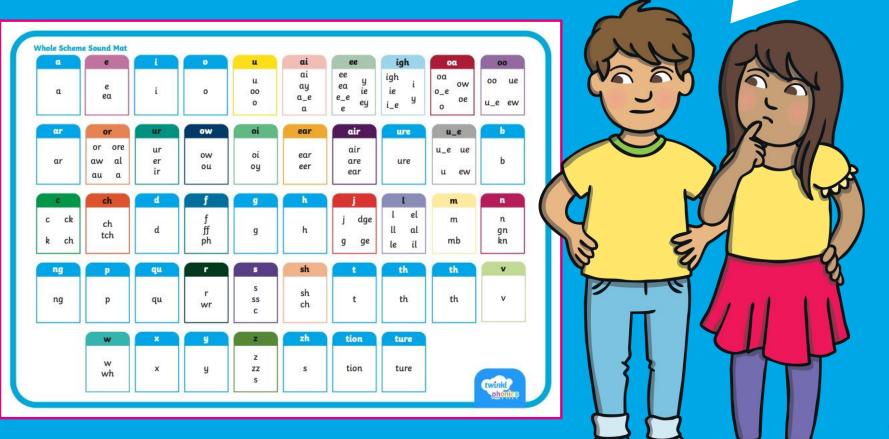

Effective Phonics, Done Simply

# Did You Know...?

There are **26 letters** in the alphabet but there are **44 sounds** and over **100** different ways of spelling them.

This is why English is one of the most complex languages to learn!

# Phonics Terminology Here is some of the terminology you might hear as your children begin to learn phonics.

Phoneme	the smallest unit of sound in words
Grapheme	the written representation of a sound
<b>GPC</b> (Grapheme-Phoneme Correspondence)	being able to match a phoneme with the correct grapheme and vice versa
Blending	joining individual speech sounds together to read a word
Segmenting	breaking down words into individual speech sounds to spell a word
Digraph	two letters making one sound e.g. 'sh'
Trigraph	three letters making one sound e.g. 'igh'
Split Digraph	two letters making one sound which are divided by a consonant e.g. the i_e sound in the word 'side'
Tricky/Common Exception Words	words that are not fully decodable such as 'the' and 'was'
Sound buttons	circles or spots that can be written underneath a sound to support reading
Sound bars	lines that can be written underneath digraphs or trigraphs to show that the letters make one sound
Mnemonic	a visual prompt to help children remember a sound

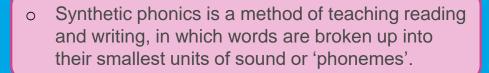

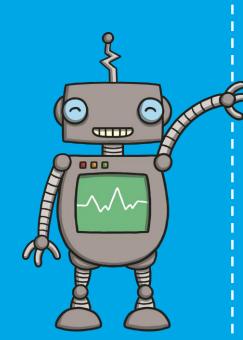

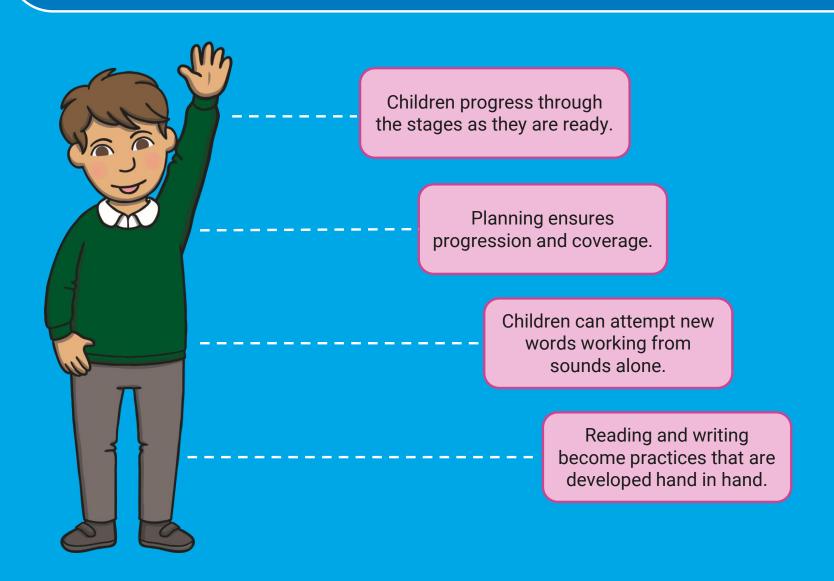

# What Is Synthetic Phonics?

- O Children learn to associate a written letter or group of letters, known as 'graphemes', with each phoneme.
- Sounds are then joined or 'blended' together into words for reading or, conversely, whole words are broken down or 'segmented' into their sounds for writing.
- It is the UK's most preferred method of teaching phonics.
- Sounds are taught in a prescribed order starting with s, a, t, p, i, n, as this allows for the most words to be made from the start, such as 'sat,' 'tap' and 'pin'.

# What Are the Benefits of Synthetic Phonics?

# What Is Taught and When?

	Twinkl Phonics Level	Number of Teaching Weeks	Recommended Year Group (UK schools)	Age of Children
	Level 1	36	Nursery/Preschool	3-4 years
	Level 2	7	Reception	4-5 years
	Level 3	12	Reception	4-5 years
Ì	Level 4	5	Reception	4-5 years
	Level 5	30	Year 1	5-6 years
	Level 6	30	Year 2	6-7 years

Level 1 continues to be taught alongside the other levels.

This is just an overview.
We understand that
every child progresses
at their own pace.

Level 1 is taught in Nursery/Preschool.

By the end of Level 1, children will have had the opportunities to:

- listen attentively;
- o enlarge their vocabulary;

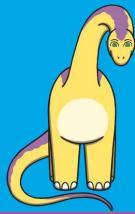

o orally segment words into phonemes.

#### What Are the 7 Aspects of Level 1?

#### **Aspect 1: Environmental Sounds**

- Develop listening skills and awareness of sounds in the environment
- Identify and remember the differences between sounds
- ✓ Talk about sounds in greater detail

#### **Aspect 2: Instrumental Sounds**

- Develop awareness of sounds made with instruments
- Listen to and appreciate the differences between sounds made with instruments
- Use a wide vocabulary to talk about instrument sounds

#### **Aspect 3: Body Percussion**

- Develop awareness of sounds and rhythms
- Distinguish between sounds and remember patterns of sound
- ✓ Talk about sounds we make with our bodies
  and what the sounds mean

#### **Aspect 4: Rhythm and Rhyme**

- Experience and appreciate rhythm and rhyme and develop awareness of rhythm and rhyme in speech
- Increase awareness of words that rhyme and develop knowledge about rhyme
- Talk about words that rhyme and produce rhyming words greater detail

#### **Aspect 5: Alliteration**

- Develop understanding of alliteration
- Listen to sounds at the beginning of words and hear the differences between them
- Explore how different sounds are articulated

#### **Aspect 6: Voice Sounds**

- Distinguish between the differences in vocal sounds
- Explore speechsounds
- Talk about the different sounds that we can make with our voices

#### **Aspect 7: Oral Blending & Segmenting**

- Develop oral blending and segmenting of sounds in words
- Listen to sounds within words and remember them in the order in which they occur
- Talk about the different sounds that make up words

Level 2 is taught in Reception.

By the end of Level 2, children will have had the opportunities to:

#### Level 2 Coverage

Teaching Week

In Level 2, children will learn the first 24 GPCs (19 letters, 4 digraphs and an alternative pronunciation) and the first 5 tricky words for reading.

- O identify the phoneme when shown any Level 2 grapheme;
- o identify any Level 2 grapheme when they hear the phoneme;

- blend sounds to read VC words such as, 'if', 'am', 'on' and 'up';
- segment VC words into their sounds to spell them (using magnetic letters);
- O read the tricky words (words that cannot be sounded out): the, to, I, no, go.

#### **Level 2 Actions and Mnemonics**

Every sound has a corresponding action and mnemonic which helps children to remember them. You can support your child by modelling the same sounds and actions at home.

Level 3 is taught in Reception.

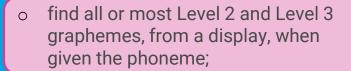

By the end of Level 3, children will have had the opportunities to:

#### **Level 3 Coverage**

In Level 3, children continue to learn 28 new GPCs (6 letters, 17 digraphs, 3 trigraphs and 2 alternative pronunciations) and 12 tricky words for reading. They also learn the spelling of the Level 2 tricky words.

 say the phoneme when shown all or most Level 2 and Level 3 graphemes;

- blend and read CVC words (single-syllable words consisting of Level 2 and Level 3 graphemes) such as 'chop' and 'night';
- segment and make phonetically plausible attempts at spelling CVC words (single-syllable words consisting of Level 2 and Level 3 graphemes) such as 'paid' and 'seed';
- read the tricky words he, she, we, me, be, was, my, you, her, they, all, are & spell the tricky words the, to, I, no, go;
- write each letter correctly when following a model.

# **Level 3 Actions and Mnemonics**

#### https://youtu.be/8ZGwM48Wy5E

It is really important that children learn to form the letters using the correct letter formation when writing. As they are introduced to a new sound, children are taught how to write it correctly. It would be great if you could also model this at home.

Level 4 is taught in Reception.

By the end of Level 4, children will have had the opportunities to:

#### Level 4 Coverage

In Level 4, children are introduced to adjacent consonants, 14 new tricky words for reading and the Level 3 tricky words for spelling.

5	three-letter adjacent consonants	all level 4 words	all level 4 words	

Use Level 4 to consolidate Level 3 sounds, especially recognising and using digraphs and trigraphs.

- o give the phoneme when shown any Level 2 or Level 3 grapheme;
- o find any Level 2 or Level 3 grapheme when given the phoneme;
- blend and read words containing adjacent consonants as well as segment and spell words containing adjacent consonants, such as 'sand', 'bench' and 'flight';
- o read the tricky words some, one, said, come, do, so, were, when, have, there, out, like, little, what & spell the tricky words he, she, we, me, be, was, my, you, here, they, all, are;
- write each letter, usually using the correct formation;
- o orally segment words into phonemes.

No new sounds are taught in Level 4.

Level 5 is taught in Year 1.

By the end of Level 5, children will have had the opportunities to:

- give the phoneme, when shown any grapheme that has been taught;
- o for any given phoneme, write the common graphemes;
- apply phonics knowledge and skills as the primary approach to reading and spelling unfamiliar words that are not completely decodable;
- read and spell phonically decodable two-syllable and three-syllable words such as 'dolphin' and 'parachute';
- read automatically all taught tricky and common exception words;
- accurately spell all the Level 2, 3 and 4 tricky words and most of the common exception words for reading;
- form each letter correctly;
- use alternative ways of pronouncing and representing the long vowel phonemes.

# **Level 5 Mnemonics**

The new sound is displayed within a word linked to the mnemonic for Level 5.

Level 6 is taught in Year 2.

By the end of Level 6, children will have had the opportunities to:

At this stage, children can read hundreds of words automatically. They are now reading for pleasure and reading to learn rather than learning to read.

- o read accurately most words of two or more syllables;
- o read most words containing common suffixes;
- read most common exception words;
- read most words accurately, in age-appropriate books, without overt sounding and blending, fluent enough to allow them to focus on their understanding rather than on decoding individual words;
- sound out most unfamiliar words accurately, without undue hesitation;
- segment spoken words into phonemes and represent these by graphemes, spelling many of these words correctly and making phonetically plausible attempts at others;
- spell most common exception words correctly.

# **Year 1 Phonics Screening Check**

In June, all year 1 children are expected to complete the Year 1 Phonics Screening Check.

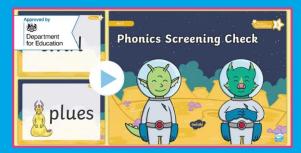

The aim is to check that a child is making progress in phonics. They are expected to read a mixture of real words and 'nonsense' words. (Nonsense words can also be referred to as 'pseudo' or 'alien' words)

For more information why not take a look at the 
Twinkl Phonics Year 1 Screening 
Check Guide for Parents

If a child has not reached the expected standard, schools must give additional support to help the child to make progress in year 2.

Children who have not passed the check in year 1 will have the opportunity to retake it in year 2.

Work on listening skills, taking turns and encouraging your child to look at you when you are speaking.

Practise segmenting and blending words.

Look for familiar sounds and words in the world around you. Such as, when in the supermarket, can your child find words on your shopping list or recognise letters on food packaging?

When outside, can they recognise letters on street names or on car number plates?

When in the house, can they recognise letters or words in magazines or letters you receive?

#### 1. Encourage your child to read

Reading helps your child's wellbeing, develops imagination and has educational benefits too. Just a few minutes a day can have a big impact on children of all ages.

#### 2. Read aloud regularly

Try to read to your child every day. It's a special time to snuggle up and enjoy a story. Stories matter and children love re-reading them and poring over the pictures. Try adding funny voices to bring characters to life.

#### 3. Encourage reading choice

Give children lots of opportunities to read different things in their own time - it doesn't just have to be books. There's fiction, non-fiction, poetry, comics, magazines, recipes and much more. Try leaving interesting reading material in different places around the home and see who picks it up.

#### 4. Read together

Choose a favourite time to read together as a family and enjoy it. This might be everyone reading the same book together, reading different things at the same time, or getting your children to read to each other. This time spent reading together can be relaxing for all.

#### 5. Create a comfortable environment

Make a calm, comfortable place for your family to relax and read independently - or together.

#### 6. Make use of your local library

Libraries in England are able to open from 4 July, so visit them when you're able to and explore all sorts of reading ideas. Local libraries also offer brilliant online materials, including audiobooks and ebooks to borrow. See <u>Libraries Connected</u> for more digital library services and resources.

#### 7. Talk about books

This is a great way to make connections, develop understanding and make reading even more enjoyable. Start by discussing the front cover and talking about what it reveals and suggests the book could be about. Then talk about what you've been reading and share ideas. You could discuss something that happened that surprised you, or something new that you found out. You could talk about how the book makes you feel and whether it reminds you of anything.

#### 8. Bring reading to life

You could try cooking a recipe you've read together. Would you recommend it to a friend? Alternatively, play a game where you pretend to be the characters in a book, or discuss an interesting article you've read.

#### 9. Make reading active

Play games that involve making connections between pictures, objects and words, such as reading about an object and finding similar things in your home. You could organise treasure hunts related to what you're reading. Try creating your child's very own book by using photos from your day and adding captions.

# 10. Engage your child in reading in a way that suits them

You know your child best and you'll know the best times for your child to read. If they have special educational needs and disabilities (SEND) then short, creative activities may be the way to get them most interested. If English is an additional language, encourage reading in a child's first language, as well as in English. What matters most is that they enjoy it.

Why it is important to read a book more than once:

- -decode
- -fluency (prosidy)
- -comprehension

# Why is it worth returning to a book that has been read? Even if your child has read it backwards and upside down.

The key to fluency is creating a muscle memory for words and whilst some children will use their phonic knowledge to effortlessly decode, many will rely on the 'shape' of a word. Read it again and again, taking it in turns, sentence by sentence or word by word even. Let your child pick three words that they will always read and you read the rest. Use silly voices. Miss pages out – do they notice? Repeat sentences. All of these help with the familiarity of the simplest texts (even when there is little plot to grasp) but it will help towards the ultimate goal of 'automaticity'

Support your child to complete any homework they bring home.

Read to and with your child every day.

Finally, remember to ask your child's class teacher if you are unsure about any aspect of your child's phonics learning. A consistent approach is important.
