

Welcome to Friar's Grove Primary school

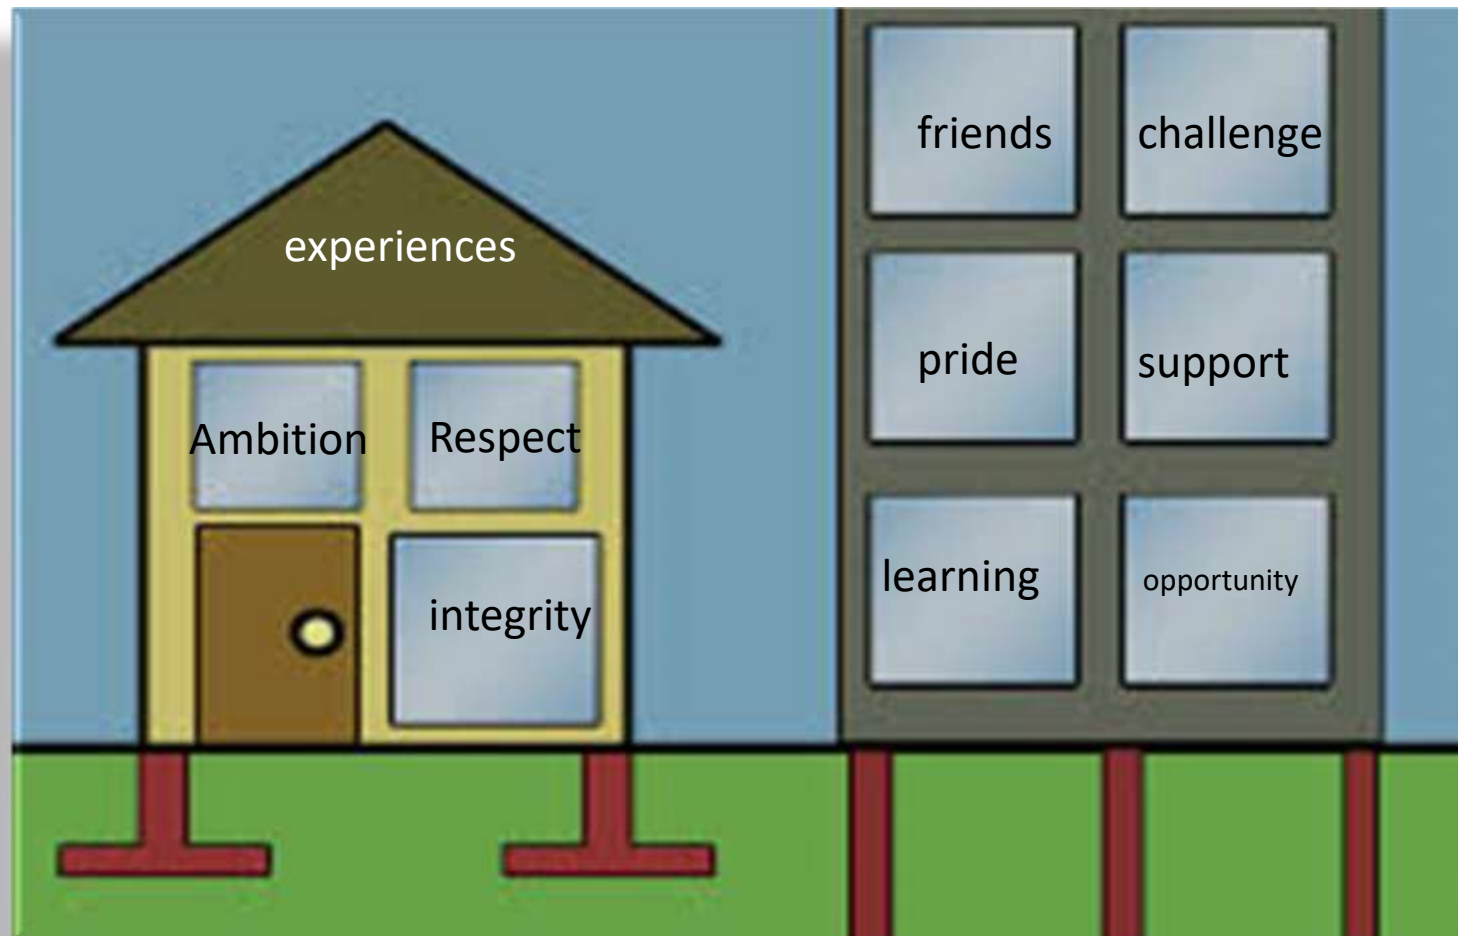

Our school is a thriving community, where staff, parents and governors work closely together to ensure that the children in our care receive the best education and school experience that we can offer.

What is the Early Years?

It is an important time of a child's learning as it forms the foundation of their enjoyment of school.

Wrap around care

The Breakfast Club and After School Club are an extension of the school day for many of the children.

Our clubs act as a link between school and home, striving to give the children an enjoyable club experience, where they can take part in activities that they would be able to do at home, but with the opportunity to spend time with friends and staff in a relaxed and friendly environment.

Our partnership with families is essential in helping to build a clear picture of every child as an individual, and in meeting their social, emotional and learning needs.
